STUD HISTORY

EYLWARRA SANDS MURRAY GREYS was founded in 1997 on Tarlina, Kaltara, Torrens Vale and Monterey bloodlines. The Eylward family have bred Murray Greys commercially since the Seventies.

We are based 20km NW of Frances in the South East of SA, after moving from the Eyre Peninsula in 2010.

Eylwarra Sands Murray Grey Cattle are JBAS6 and breed plan recorded. Yearling bulls and heifers are scanned in Oct/Nov each year and are currently running 60 stud cows and 15 stud heifers.

All our cattle are run under commercial conditions except for the animals that are shown each year. We have sold animals into all states & territories, also have progeny in New Zealand, UK & USA .

Every year we have had the pleasure of donating steers to the Loxton High and Naracoorte Area & Meningie Area Schools in the past, scoring high in the hoof & hook classes.

We welcome past and future clients at anytime and all enquires are most welcome. Photos of the cattle for sale can be e-mailed on request.

You can buy with confidence.

All bulls are sire verified (DNA)

*** PI ear notched tested Negative**

*** 7in1 vaccinated**

*** Piliguard Vaccinated**

*** Scanned for carcass traits**

All bulls will be on display at our on property SA Beef Field Day 7th February 2023 for Private sale.
